Letter for April Parish Magazines From Revd Enid

Hope is a really important part of the life of human beings. With hope all things are possible and even probable. Hope gives people the freedom to act with courage, in the reasonable expectation of good results. . . . something much needed in the life of the world at the moment. On the other hand, taking away hope from a fellow human being, is probably one of the most cruel things we could possibly do; which is one of the reasons we should be so careful about how we act towards and speak to one another. This doesn't just apply to our local relationships, but also to the relationships people have nationally and internationally. Human beings, wherever they are, need to live in hope if we are to thrive and do well.

We have just had Easter which brings supreme hope for all the world. Because of Jesus, we all have the possibility of having eternal life when we accept him as our Saviour, both now and following the end of our physical existence. Now, that is something to make us hopeful! Jesus is the giver of hope in all things. He shows us the right way to live and the right way to solve our human disagreements. Again, this is important both to us in our personal relationships and across nations. Christians believe Jesus is the way the truth and the life. At a time when the news so often makes us wince in pain, this is something to remember, that all things are possible through Christ if only we will listen to him.

April is a hopeful month in itself, with so much new life all around us. If we ask Jesus in anew, and pray in faith, perhaps it may prove to be the turning point not just for the year, but for the tide in human affairs around the world. This is my prayer for you all and for our beautiful world. God bless you. Revd Enid

St Mary's Church

The APCM will be held at Worlingworth Community Centre at 7.00pm on April 30th.

This will be preceded by the Vestry Meeting when St Mary's church wardens will be elected.

BEDFIELD AND MONK SOHAM GARDENING CLUB

The native wild daffodils have appeared in lots of cheery groups this year on the wildlife meadow. This is the best they have yet been and such an encouraging sight as they much prefer well-drained soil! We hope you have all enjoyed the daffodils lining our roadsides too. Thank you again to all those folk who did the planting for both these ventures a while back.

Our proposed April garden visit is not going ahead because, like many other Spring featured gardens, the waterlogged soil has disrupted plans. However, I am pleased to report that Sue and David Entwisle have kindly offered their lovely garden, Bramble Tye, Monk Soham, IP13 7EZ, as a venue for a practical propagation event on **Friday April 5th at 2.30pm**. Bring along any plants to propagate and pots to put plantlets/cuttings in (compost provided), e.g. lift herbaceous perennials to divide, or bring soft tip/ hardwood cuttings etc. See if you've suitable material in your garden. This will increase your stock and provide invaluable plants for our plant stall, coming soon to Daisy Cottage, plus our stall at the July fete. Or just come along! For further information about our club and any events, please contact

News from Worlingworth Primary School Church Connections The children finished the end of term by learning about the importance of the Easter story and reflecting on how our rainbow values are demonstrated in the actions and events. Rev Enid visited the school with members of the church community for a special Easter Messy Church session which the children thoroughly enjoyed. A special whole school Collective Worship was held at the Community Centre with the children singing and our Collective Worship Ambassadors leading the prayer. The Friends of the School organised a successful Easter Egg Hunt and Raffle to help raise money towards a special project in school. Thank you to everyone in our community for all their time and hard work in providing special opportunities.

Taking Care of Our World Our Eco Book was a success. The children learned about ways that we can all make a difference to help look after our world and made a pledge for what they will do. We focussed on reusing and using less with a book and toy swap stall after school. They also read lots of interesting and funny stories with an eco-theme in class and enjoyed reading for pleasure throughout the week. Two of our classes have recently been out to do litter picks around the village. The children enjoyed helping to take care of their community but were surprised by the litter people drop! A reminder to everyone to use the bins provided around the village or take it home. We also had the co-leader of the Green Party, Adrian Ramsay visit the school to talk to our Key Stage 2 classes. It was an exciting opportunity for our children to ask questions about his work and the Green Party's ideas for looking after the environment and to share with him what they had learned and their concerns for the future.

Willows Nursery Our full-time nursery is a busy, happy and caring place full of curious learners, ready to be challenged. Their new topic after Easter will be *Growing Up, Life Cycles* and they will be busy singing songs, reading and sharing stories, drawing, making and observing animals and plants that change! We always welcome new parents to come and visit our Early Years class and see our child-focussed curriculum in action so please contact the office if you would like to arrange a visit.

New Monthly Toddler Group – Seeds & Saplings Our Willows Nursery are holding new monthly play and stay sessions for toddlers and their parents or family member. The first two sessions are on : **30th April and 21st May from 2-3pm in our Early Years Class**. These informal, fun sessions will include stories, nursery rhymes, different play and craft activities inside and outside in our new Early Years Garden for all the children and will provide families with the opportunity to come and get to know the school, meet the staff and have a much-needed cuppa and chance to chat! Do come along and join us. We look forward to welcoming you to our school.

School Council Our School Council have been busy demonstrating our Rainbow Values of kindness, co-operation and responsibility this term by planning and organising fund-raising events for Comic Relief. They wrote a letter to parents and made posters. Children were invited to come to school with funny or a funny hat and make a donation. We all enjoyed admiring some of the crazy hairstyles in the classrooms! **For updates and further information about the school :**

Please log on and take a look: www.worlingworthschool.co.uk. You can also follow us on Twitter: @WorlingworthSch and facebook: Worlingworth.School. There are lots of wonderful photos on our website and information about our curriculum and values which give a flavour of life as a pupil here, celebrating our family and caring ethos.

News from Worlingworth Cricket club

With all the warmer weather of late, it's probably safe to say Spring is here, and with that the approach to the season is underway!

Pre-season nets has been going well, with great attendance from both men's teams and the ladies team. That first session was almost euphoric getting back into cricket after the winter break.

The AGM on the 17th March as mentioned in our previous entry is where we set out what needs doing ahead of the start of the season. Needless to say, it was a list of maintenance tasks and spring cleaning, but also a look at fundraising efforts, including events across the season. If you're curious to come along to one of our events, check on the fixture list on the website and see what tickles your fancy.

Village Newsletter April 2024

World Book Day

On World Book Day we did some whole school activities on the book, 'Where the Wild Things Are' by Maurice Sendak. The story provides lots of inspiration for the children to use their imaginations, put themselves in the character's shoes and go on a journey to new and unknown places, before returning to the security of home. We invited parents in at the end of the day to see the work the children had been doing.

Snape Celebration 2024

We were lucky enough to perform at Snape Maltings as part of their Celebration week. The children all performed amazingly well and represented the school beautifully. Staff were incredibly proud of them all. Rev Chrissie said, "Thank you so very much for the tickets for the performance at Snape yesterday evening. We were so proud to be there to watch the children's performance and thought they were fantastic!"

Gardening

We were excited to receive delivery of our Suffolk Show Garden box. The theme this year is the Olympics and lots of discussions are taking place around the design. We are looking forward to seeing the garden transform over the coming weeks.

Sports

We have taken part in Orienteering, Netball and a swimming Gala recently. After Easter we look forward to Tennis, Cricket, Rounders as well as our Sports Afternoon

Bags2School—our next collection is 7th. June, more details next month

Monk Soham

Easter Day St. Peter's church, Monk Soham, would like to thank all those who decorated the church for Easter.

Electoral Roll

Completed electoral roll forms need to be completed by 6pm Monday 8th of April and returned to Timothy Artiss our Electoral roll officer. Anyone not on the electoral roll who would like to be, please contact Timothy on 01728 685 663.

The Vestry Meeting for St. Peter's Church Monk Soham

The Vestry Meeting for the election of the Church Wardens will take place after the Sunday service on the **14th of April** in St. Peter's Church, Monk Soham, the service starts at 11am, all welcome. The short vestry meeting will start at about 11.50am everyone welcome to attend. Copies of the Monk Soham reports for the ACPM will be available at this meeting.

Monk Soham, ACPM

The Annual Parochial Church Meeting will be held on Tuesday the 30th of April in **Worlingworth Community Centre** It will start at 7pm. 6.45pm for coffee.

Forthcoming event At. St. Peter's Church, Monk Soham

We admire the incredibly beautiful architectural heritage within our Suffolk churches, which we too often take for granted. To this aim:

A Workshop on Medieval Geometry will take place on Wednesday the **29th of May, 10am – 12 Midday**. This hands-on session, with No prior experience necessary; will be a short introduction to the symbolic proportions and geometric constructions employed in Gothic church architecture, by **Clarissa Grandi**. Clarissa Grandi is a geometric artist, author, etc. She enjoys exploring the interplay between the precision of human -made geometry and the more organic and chaotic geometries and symmetries found in nature. She has run courses on both sides of the Atlantic. *More information on the event, Tickets, etc, to follow.*

Invitation to All

Annual Parish Meeting – Wednesday 17th April in the Community Centre at 7.30pm

Parish Council meeting will start "not before 8.15pm" instead of it starting at 7.30pm.

The Annual Parish Meeting is an opportunity to find out what we and other village organisations have been doing for you over the past year and a chance to see how the money raised at a local level – through what is known as the precept – has been spent. There will also be an opportunity to put forward ideas and suggestions for the future of the village. Please join us if you can.

VOLUNTEERS NEEDED TO HELP ORGANISE COMMUNITY EVENTS

**** Without Volunteers These Events Cannot Run ****

Spring Clean – Saturday 18th May

D-Day 80 Commemorations – Thursday 6th June

Walking Day – Saturday 12th October

Christmas Tractor Run – Saturday 14th December

The Parish Council is looking to organise the various events as listed above throughout the year, but volunteers to help are needed urgently. If you are willing to help at any of the above events then please contact the Parish Clerk and working parties can be formed to ensure that these events go ahead. If we don't get volunteers by the next Parish Council meeting on 17th April then there will be no option but to cancel the Spring Clean and the D-Day 80 Commemorations.
